

Long and Foster Real Estate

Formerly NJ Realty
Sea Isle City
Licensed Real Estate Brokers

Enclosed is our 2018 Rental Listing Agreement. Please take the time to carefully review, complete and return to us as soon as possible so that we can begin fulfilling our 2018 rental requests.

Remember, the property information (amenities, rates & availability) that you provide is the information we are providing potential tenants. This information must be accurate as it will be made a part of your Lease. If you find any inaccurate information, please make the changes on the form.

We strongly recommend the following:

1. Submit your 2018 rates asap!
2. Don't put off your post-season maintenance! Cleaning, carpet cleaning, touch up paint, etc. Tenants will judge your property on how they see it now, not how you intend to prepare it in the spring.
3. Wireless Internet Service is now a "must have".
4. HVAC service contract: don't get caught without it.
5. Good, reliable cleaning service. Families #1 priority is a clean vacation rental.

Thank you for your continued business. If we can be of any assistance, please feel free to contact us.

Sincerely,

The Staff Of Long & Foster Real Estate
